Iseg Entrepreneurial Finance
2023/2024,

OVERVIEW

**A single place for all your registrations,
already simple, more convenient, and more
effective**

**All discounts and
promotions always
at your disposal**

One App for all

MARKET

All customers, regardless of the brand, are offered the possibility to access all loyalty and discount program.

How?

"Simple, through a ONCE subscription, we manage your data and we let you to take advantage of all the discounts and promotions from every brand that collaborates with us."

WHICH BRANDS?

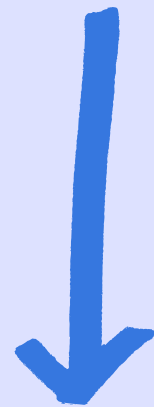

We will start with fashion brands, particularly fast fashion, seeking collaborations with labels such as Zara, H&M, Stradivarius, etc.

Data from their customers, in exchange for exclusive, and even targeted, promotions and discounts

REVENUES ?

We collect data regarding the purchases made by subscribers, with the aim of reviewing such market information to third parties.

In the big data market, the average value of personal data recorded on the Internet is approximately €40

FINANCIAL METRICS

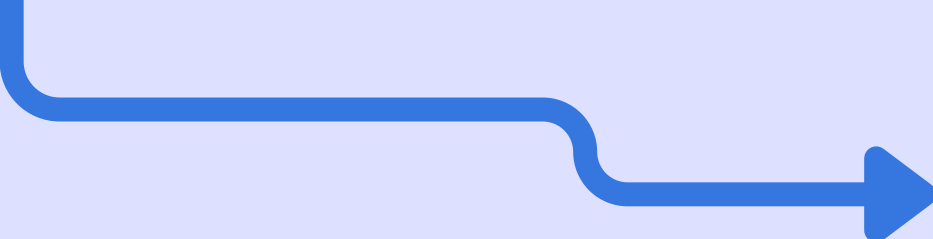

YEARS	REVENUES	COSTS	EBITDA	
FIRST	236410	142000	94410	40% MARGIN
SECOND	378256	226854	151302	40% MARGIN
THIRD	605209	363126	242083	40% MARGIN

GROWTH RATE 60%.

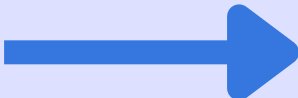

FINANCIAL METRICS

COSTS

Our main costs are related to server maintenance, developer and data analyst salaries, rent, and particularly marketing

The cost for each new customer during the first year is approximately 31€

It will decrease gradually in the following years.

PURPOSE OF THE FOUNDING

The purpose of this presentation is to secure a strategic partner that enables us to obtain agreements with various brands.
